The image shows a screenshot of a web browser displaying the SESAM website. The header features the SESAM logo (a circle of yellow stars) and the text "SESAM | SOCIETY IN EUROPE FOR SIMULATION APPLIED TO MEDICINE" and "PROMOTING SIMULATION IN MEDICAL EDUCATION". The browser address bar shows "www.sesam-web.org/centres/?page=4". The main content area lists several simulation centers:

- Le SIMU de Nantes**  
Nantes Cedex 1, France  
Le SIMU de Nantes
- Medical Simulation Centre of the Siberian State Medical University**  
Tomsk, Russian Federation  
MS Center SSMU, Tomsk
- Medsimlinz**  
Linz, Austria  
The Medsimlinz is a 600 sq meter SIm centre in Linz, Austria. Medsimlinz has offered around 300 high fidelity courses during 2014, using 11 simulators and mannekins. We offer a variety of different courses starting with medical or nursing students in our centre, and reaching to in-situ interdisciplinary, interprofessional team training sessions. The team consists of physicians, nurses, psychologists, nurses and paramedics, as well as lawyers and QM specialists.

The entry for the "Medical Simulation Centre of the Siberian State Medical University" is circled in red. The Windows taskbar at the bottom shows the date and time as 10:37 on 03.12.2014.
